

ASBNEP1501

10" Cat6A communication pack for small businesses or residential use

DESCRIPTION

Ready-to-use communication pack including a 10" cabinet and the accessories necessary for Internet or Ethernet network installations in CAT6A for up to 24 user outlets (if 2 RJ45 patch panels are added). Thanks to its tool-free RJ45 connectors and 50 cm CAT6A patch cords, the cabinet's space utilization is optimized. The included 8-port 10/100 BASE-TX switch is ready to use and requires no configuration.

ADVANTAGES

- Discreet and easy installation: ideal for small businesses or residential use, up to 24 outlets
- Ready-to-use pack: a complete solution for cabling small and medium sized systems
- Easy assembly and installation
