

H18003TNTSAT

HNI MULTIPLE COAXIAL-3 RJ45-2 TNT-1 SAT

DESCRIPTION

The Casanova active TV Distributors (multiple HNI) integrate on DIN rail within all Grade 3 TV communication cabinets of the Casanova Connected range. TNT and satellite distribution of the H18003TNTSAT is done via a link chain composed of a Grade 3 TV cable and Grade 3 TV/Cat. 6A connectors.

ADVANTAGES

- The active TV distributor H18003TNTSAT distributes the TNT signal over 2 RJ45 ports and the SAT signal over 1 RJ45 output.
