

H18003TNT

HNI MULTIPLE COAXIAL-3RJ45-3 TNT

DESCRIPTION

The Casanova active TV Distributors (multiple HNI) fit on DIN rails in all Grade 3TV communication panels from the Casanova Connected range. They can also be installed in cabinets for small tertiary sectors. The TNT distribution of the H18003TNT is done via a link chain composed of a Grade 3TV cable and Grade 3TV/Cat 6A connectors.

ADVANTAGES

- The TV distributor H18003TNT allows TNT distribution to 3 communication outlets in the residence.
- 1 coaxial input and 3 RJ45 outputs
