

H665004FOPC60C

4 FO G.657 optical subscriber link with DTIO

DESCRIPTION

The DTIO with 4 FO subscriber link is equipped with a pulling ring. Available in lengths of 20, 30, 40, 60, and 90m (custom lengths on request, depending on quantities). It is delivered in a box.

ADVANTAGES

The subscriber link is pre-connected to the DTIO. Installation is simplified. The PTO is positioned in the housing communication cabinet and also mounts on a DIN rail. In existing housing, the PTO can be fixed as a screwed terminal outlet on the wall.
