

JLCLC100ODVA10M4

ODVA duplex OM4 LC/LC fiber optic jumper - 100 meters

DESCRIPTION

ODVA LC fiber optic jumpers for harsh environments are suitable for fixed or mobile applications and transmit data reliably over long distances in extreme conditions. The connectors comply with IP68 watertightness standards

ADVANTAGES

Ensures functionality in harsh weather conditions.
High performance: test report included.
IP 68 connector.
Easy to install without special tools.

CONSTRUCTION & TECHNICAL PERFORMANCE

Product Type	JLCLCxxODVA1yy
Product Length	100 m
Sheath Type	LSZH

ELECTRICAL CHARACTERISTICS

Optical Performance	OM4
---------------------	-----

TRANSMISSION CHARACTERISTICS

Test Report	oui
-------------	-----

MECHANICAL CHARACTERISTICS

Bending Radius	3,8cm
Tensile Strength (N)	70
Polishing Type	UPC / UPC

ENVIRONMENTAL CHARACTERISTIC

RoHS Compliance	oui
-----------------	-----

ADDITIONAL INFORMATION

Product Packaging	Bag
-------------------	-----
