

JLCLC30ODVA10M4

ODVA duplex OM4 LC/LC fiber optic jumper - 30 meters

DESCRIPTION

ODVA LC fiber optic jumpers for harsh environments are suitable for fixed or mobile applications and transmit data reliably over long distances in extreme conditions. The connectors comply with IP68 watertightness standards

CONSTRUCTION & TECHNICAL PERFORMANCE

| | |
|----------------|----------------|
| Product Type | JLCLCxxODVA1yy |
| Product Length | 30 m |
| Sheath Type | LSZH |

ELECTRICAL CHARACTERISTICS

| | |
|---------------------|-----|
| Optical Performance | OM4 |
|---------------------|-----|

TRANSMISSION CHARACTERISTICS

| | |
|-------------|-----|
| Test Report | oui |
|-------------|-----|

MECHANICAL CHARACTERISTICS

| | |
|----------------------|-----------|
| Bending Radius | 3,8cm |
| Tensile Strength (N) | 70 |
| Polishing Type | UPC / UPC |

ENVIRONMENTAL CHARACTERISTIC

| | |
|-----------------|-----|
| RoHS Compliance | oui |
|-----------------|-----|

ADDITIONAL INFORMATION

| | |
|-------------------|------------------------|
| Product Packaging | 100% biodegradable bag |
|-------------------|------------------------|
