

## LKJUNCTION

### LK Range Extension Bay Coupling Kit

#### DESCRIPTION

This rack coupling kit for LK racks allows for the secure attachment of multiple racks together, ensuring optimal stability and organization of network equipment. Easy to install, this kit guarantees a secure and modular arrangement of IT infrastructures. It is made of 3mm steel sheet.

#### ADVANTAGES

- Coupling between multiple racks, ensuring a solid connection between them.
- Allows for an aligned and organized arrangement of the racks.
- Provides a modular solution, enabling reconfiguration or addition of racks according to the evolving needs of the infrastructure.

## CONSTRUCTION & TECHNICAL PERFORMANCE

Color	Anthracite Grey RAL 7016
Dimensions (W x D x h)	120x47x29
Material Type	Steel
Gross Scanned Weight of the US (g/km)	1.15

## ADDITIONAL INFORMATION

Product Packaging	cardboard of 4
Weight (Kg)	1.09
