

## LKPAN1UV

### 1U 24 port shielded 19" angled patch panel

#### DESCRIPTION

With its angled design, the LKPAN1UV 24 port panel is suitable for all types of 19" system and offers modularity and optimized cable management. Its removable front blocks make it easy to fit RJ45 connectors and facilitate maintenance operations.

It is equipped with clear label holders protected by a transparent window and a rear cable management system with clamp mounting

Mounting using cage nuts

#### ADVANTAGES

- Cable retention without mounting clips
- Compatibility: 24 Keystone format ports
- Identification: Numbered ports - label holder - panel marking location
- Removable front blocks
