**19" floor-standing rack, 600 x 1000 42U,  
Technic 1000 range with perforated  
front and rear doors**

## DESCRIPTION

19" cabinets from the Technic 1000 range, RAL 7016, equipped with perforated front and rear doors, for storing your active devices, such as servers, switches, etc. The tested load capacity of 1250 kg is ensured by a combination of innovative features: specially designed cross braces and aluminum trihedral framework with no welds

## ADVANTAGES

- Aluminum trihedral structure and specially designed reinforcing bar offering a tested load capacity of 1250 kg
- An additional 12 vertical U for 800 wide cabinets
- 270° door opening for improved access to the floor-standing cabinet
