

TM42810SP0

**19" floor-standing extension cabinet -
800 x 1000 - 42U - Technic 1000 range**

DESCRIPTION

The 19" extension rack of the Technic 1000 range, equipped with two glazed front doors and two solid rear doors, allows installation of your active and passive 19" equipment. Its 1,000 kg load capacity (tested to 1,250 kg) is ensured by a combination of innovative features: reinforcement cross-members and a weld-free three-post aluminium chassis.

ADVANTAGES

- Excellent stability thanks to an aluminum trihedral framework
- Tested load capacity of 1250 kg
- Side cable management guide
- Extension cabinet for ease of cabling from cabinet to cabinet
